The unusual number of deaths from various causes which have occurred in the city and neighborhood within the past week has cast a shadow over our interests. It is seldom that a coroner's report have a mournful roll to press the body has not been found.

**OBITUARY.**

It is our sad duty this week to chronicle the death of Mrs. Robinson, wife of Mr. J. G. Robinson, merchant, of this city. The deceased lady succumbed to a lingering illness about five o'clock on Tuesday morning last, and her spirit went out to join the ranks of those who have gone before. She was universally beloved and her loss will be keenly felt by all who knew her. The bereaved husband and family have the deepest sympathy of all in their affliction.

**PRESBYTERIAN PROGRESS.**

Rev. Mr. Robertson, Superintendent of the Presbyterian Association, says that the Presbyterians have secured a very good site for a church at Bant, and are going to erect a black vesment structure at a cost of \$15,000. Half the amount has already been secured and they have a balance of \$20,000 of the Presbyterian church. From time to time they expect to have the building finished.

A little delay has occurred in continuing operations, owing to the main difficulty being down paying a settlement between the C.P.R. and the coal company.

**REMOVED IN A FALLING GRANARY.**

A very serious accident occurred in the village of Bant, to the west of the city, on Friday last. It appears that a load of timber were thresholding on the floor of Wan-Nie, the grain being stored on the second floor of the granary, which had recently been erected, when it suddenly collapsed completely bursting into flames. Then there was a great commotion and fire spread over the entire building.

Thomas A. Williams, one of the sons with some difficulty managed to work himself out of the debris, and immediately started for help which arrived a short time after. When the improved men were received, they found that Mr. Williams had been crushed and bruised, almost suffocated and insensible, while Mr. Corrie had a thigh broken and was otherwise badly injured.
